THE FOLLOWING INDUSTRIAL, SCIENTIFIC AND GOVERNMENTAL organizations and departments were officially represented on the committee entrusted with the preparation of this standard:

CSIRO, Division of Building Research

Lending Authorities

Master Builders Associations

Public Works Departments

Sawmillers Associations

State Forestry Departments

State Housing Authorities

Timber Merchants Associations

This standard, prepared by Committee TM/13, Cypress Pine, was approved on behalf of the Council of the Standards Association of Australia on 18 August 1975, and was published on 1 January 1976.

The specification is intended to include the technical provisions necessary for the supply of the materials herein referred to, but does not purport to comprise all the necessary provisions of a contract.

To keep abreast of progress in industry, Australian standards are regularly reviewed. Suggestions for improvements to published standards, addressed to the head office of the Association, are welcomed.

This standard was issued in draft form for public review as DR 74050.
