THE FOLLOWING SCIENTIFIC, INDUSTRIAL AND GOVERNMENTAL organizations and departments were officially represented on the committee entrusted with the preparation of this standard:

Associated Chambers of Manufactures of Australia
Australian Farmers Federation
Australian Acoustical Society
Construction Equipment Manufacturers Association
CSIRO Division of Building Research
Department of Agriculture, Victoria
Department of Labour and Industry, South Australia
Monash University
National Association of Australian State Road Authorities
New South Wales Health Commission
Society of Automotive Engineers, Australia
Tractor and Machinery Association of Australia
University of Melbourne

This standard, prepared by Committee AK/8, Noise from Agricultural Tractors and Earthmoving Machinery, was approved on behalf of the Council of the Standards Association of Australia on 14 January 1977, and was published on 1 May 1977.

To keep abreast of progress in industry, Australian standards are regularly reviewed. Suggestions for improvements to published standards, addressed to the headquarters of the Association, are welcomed.

This standard was issued in draft form for public review as DR 75137.
