

Australian Fish Names Standard

This Australian Standard® was prepared by the Fisheries Research and Development Corporation (FRDC) Fish Names Committee, the Standards Reference Body responsible for the technical content of the Australian Fish Names Standard.

It was approved by the FRDC Board on 12 June 2019.

This Standard was published on 24 June 2019.

This Standard includes amendments to Annex A that have been approved by the Fish Names Committee at meetings on 27 November 2015, 22 April 2016, 25 August 2016, 15 March 2017, 26 September 2017, 8 May 2018, 4 September 2018 and 8 May 2019.

The FRDC wishes to acknowledge the participation of the expert individuals who contributed to the development of this Standard through their representation on the Fish Names Committee.

Keeping Standards up-to-date

Australian Standards are living documents that reflect progress in science, technology and systems. To maintain their currency, all Standards are periodically reviewed, and new editions are published. Between editions, amendments may be issued.

Standards may also be withdrawn. It is important that readers assure themselves that they are using a current Standard, which should include any amendments that may have been published since the Standard was published.

Detailed information about Standards Development Organisation Standards, drafts, amendments and new projects can be found by visiting www.frdc.com.au, www.seafoodstandards.com.au and www.fishnames.com.au

Disclaimers

1. Notwithstanding anything contained in this Standard:
 - a) The Fisheries Research & Development Corporation (FRDC) disclaims responsibility (including where FRDC or any of its officers, employees, agents or contractors has been negligent) for any direct or indirect loss, damage, claim, or liability any person may incur as a result of any:
 - I. reliance on or compliance with this Standard;
 - II. inaccuracy or inappropriateness of this Standard; or
 - III. inconsistency of this Standard with any law; and
 - b) FRDC disclaims responsibility (including where FRDC or any of its officers, employees, agents or contractors has been negligent) for ensuring compliance by any person with this Standard.
2. The above disclaimers will not apply to the extent they are inconsistent with any relevant legislation.
