EUROPEAN STANDARD
NORME EUROPÉENNE
EUROPÄISCHE NORM

EN 12010

February 1998

ICS 11.040.40

Descriptors: medical equipment, surgical implants, prosthetic devices, specifications, design, surface conditions, materials, manufacturing, sterilization, inspection, packing, information, labelling

English version

Non-active surgical implants - Joint replacement implants - Particular requirements

Implants chirurgicaux non actifs - Prothèses articulaires - Exigences particulières

Nichtaktive chirurgische Implantate - Implantate zum Gelenkersatz - Besondere Anforderungen

This European Standard was approved by CEN on 1 January 1998.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
