

AS 1192—2004

Reconfirmed 2017

AS 1192

Australian Standard™

Electroplated coatings—Nickel and chromium

This Australian Standard was prepared by Committee MT-009, Metal Finishing. It was approved on behalf of the Council of Standards Australia on 23 February 2004 and published on 2 April 2004.

The following are represented on Committee MT-009:

- Australasian Institute of Metal Finishing
- Australasian Aluminium Council
- Australian Chamber of Commerce and Industry
- Australian Industry Group
- Australian Paint Manufacturers Federation
- Department of Defence
- Galvanizers Association of Australia
- Institute of Materials Engineering Australia
- The Royal Australian Chemical Institute
- Society of Automotive Engineers—Australasia
- Telstra Corporation

Keeping Standards up-to-date

Standards are living documents which reflect progress in science, technology and systems. To maintain their currency, all Standards are periodically reviewed, and new editions are published. Between editions, amendments may be issued. Standards may also be withdrawn. It is important that readers assure themselves they are using a current Standard, which should include any amendments which may have been published since the Standard was purchased.

Detailed information about Standards can be found by visiting the Standards Web Shop at www.standards.com.au and looking up the relevant Standard in the on-line catalogue.

Alternatively, the printed Catalogue provides information current at 1 January each year, and the monthly magazine, *The Global Standard*, has a full listing of revisions and amendments published each month.

Australian Standards™ and other products and services developed by Standards Australia are published and distributed under contract by SAI Global, which operates the Standards Web Shop.

We also welcome suggestions for improvement in our Standards, and especially encourage readers to notify us immediately of any apparent inaccuracies or ambiguities. Contact us via email at mail@standards.org.au, or write to the Chief Executive, Standards Australia International Ltd, GPO Box 5420, Sydney, NSW 2001.
